No. 216

Sofia, 21 August 2013

The Embassy of the Arab Republic of Egypt presents its compliments to the Ministry of Foreign Affairs of the Republic of Bulgaria, Middle East & Africa Directorate and with reference to the esteemed Ministry's Note No 12-00-95 dated 5 June 2013, concerning the inquiry from Bulgarian producers of frozen chicken, poultry products and sub-products filed through the Bulgarian Food Safety Agency regarding export from the Republic of Bulgaria and import to the Arab Republic of Egypt, and the request to inform the Ministry about the terms and conditions and the order to initiate an export procedure of these products, as well as the documents and certificates which should accompany the parcels,

The Embassy has the honour to inform the esteemed Ministry that the conditions for releasing exported poultry and chicken are as follows (according to the Department of Trade Agreements in the Egyptian Ministry of Industry and Trade):

1. Poultry should be fully frozen.
2. The poultry should arrive from a slaughter house certified by the doctors at the Authority for Veterinary Services under the supervision of a certified Islamic center in Bulgaria.
3. Documents should be accompanied by a veterinary health certificate certified and documented in the country of origin stating the absence of all poultry epidemic and infectious diseases, especially bird flu.
4. It is required to obtain a veterinarians health license for importing.
5. Import parcels have to be inspected – with the exception of what is for personal use and transit – by the food monitoring authority which examines food in accordance with the approved Egyptian standard specifications.
6. Freightage should be directly from the country of origin to Egypt.

The Embassy of the Arab Republic of Egypt avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Republic of Bulgaria, Middle East & Africa Directorate, the assurances of its highest consideration.
