HOFBURG Vienna Congress Center, Austria
CONFERENCE, EXHIBITION, B2B MEETINGS & EXCURSION
www.world-sustainable-energy.com

WELCOME TO WORLD SUSTAINABLE ENERGY FORUM

Ladies and Gentlemen,

I would like to invite you to WSEF 2013 in Vienna Hofburg Congress Center.

Let me introduce you to our Forum in a few words:

When establishing REVIESTA Consulting Group my intention was and still is to deal with sustainable energy and environmental technology transfer between developed and developing countries.

I am an expert on integrative traffic planning and sustainable municipality management, i.e. zero emission cities, green buildings, intelligent city planning, waste management and efficient energy solutions.

My vision is to see our future generation growing up in a sustainable city like Vienna. Therefore we are organizing this Forum in the environmentally most conscious place of the world – in Vienna!

We are welcoming people from industry and trade, universities, political decision makers municipalities, representatives of authorities, suppliers, planners, constructors and operating companies of pertinent products or plants, - Lobbies.

1st Day	2 June, 2013	10:00 – 17:00 Excursion to Guessing City and Evening Activity
2nd Day	3 June, 2013	09:00 – 18:30 Forum – Conference, B2B Meetings and Exhibition HOFBURG Vienna Congress Center, Austria
3rd Day	4 June, 2013	09:00 – 18:00 Visiting the Fair “POWER-GEN Europe” Messe Wien, Vienna

With kind regards
