*About changes in the rules of the Republic of Latvia*

The Ministry of Foreign Affairs of the Republic of Latvia the State protocol informs that on 1 January 2025 the amendments to the law "On Excise Tax" will come into force, which provide for the determination of the fuel limit in the standard fuel tanks of a commercial vehicle entering from a third country to the Republic of Latvia in the amount of not more than 200 liters.

The amendments provide for a prohibition from 1 January 2025 to enter the territory of the Republic of Latvia from a non-EU Member State with a commercial motor vehicle, if the amount of fuel in its fuel tanks exceeds 200 liters.
