GLOBAL TRENDS & THEIR IMPACT ON EUROPE AND BULGARIA

SEMINAR

26 November, 2024

10:00-12:00

UNICREDIT Bulbank International
Center

UniCredit Bulbank

Event Details:

The Canadian Chamber of Commerce in Bulgaria (CanCham), in partnership with the British Bulgarian Business Association (BBBA), the Italian Chamber of Commerce in Bulgaria, and the Confindustria, organize a seminar focused on global economic trends and their impact on Europe and Bulgaria. The event consists of two parts, beginning with a presentation by renowned economist Mr. Evgeni Kanev, who will share insights into current global trends and their implications on European and national level. Following this, a panel discussion will bring together representatives from various sectors of the economy to share their experiences and discuss the challenges and opportunities of doing business in the context of these evolving global dynamics. This seminar aims to foster dialogue and offer valuable perspectives on navigating the business landscape amidst shifting international trends.
